

## PRIME

Prime doors are treated with a transparent acrylic coating under UV light. The result is a durable, chemical resistant, harmless, anti-age and color-stable surface with high gloss or skin-soft matte finish. The ABS same color edge banding reflects harmonious and continuous design all around.

# Sleek

# &

# Luxury

## ARCADIA

Arcadia collection is an elegant chic style with synchronous real wood grain and thermal structured texture. Combined with IMPRESS color, the sleek design and smooth lines brighten up the space and create understated luxury.

# Back to Neutral

# GENESIS

Genesis door has a classical design and synchronous wood grain finish with greater color uniformity compared to natural wood. It's water-proof , anti-scratch and shatter-resistant properties make it easy to maintain.

# Quality Definition

- Selected top-grade lumber
- Eleven layers plywood cabinet case
- Fast assemble screw- wood dowel framless construction
- Ease of maintenance surface with high color stability
- TSS synchronous maple finished interior with water resistance
- Full extension drawer with solid wood dovetail construction and soft-close undermount sliders

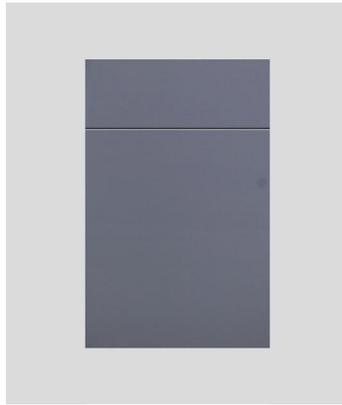

Built-in  
Accessories  
bring your  
kitchen more  
possibilities and  
conveniences.
